

# Satellite Spinner

## You'll need:

Colour Pencils

A Sharp Pencil

Scissors

Split Pins

## Instructions:

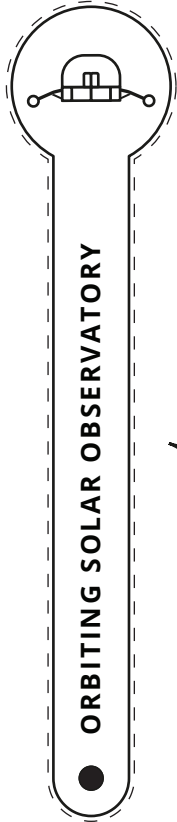

1. Colour in the Earth, satellites and tabs.
2. Cut out all the pieces along the dashed lines.
3. Pierce a hole through the black dots with a sharp pencil.
4. Attach each satellite tab to the Earth with a split pin.

---

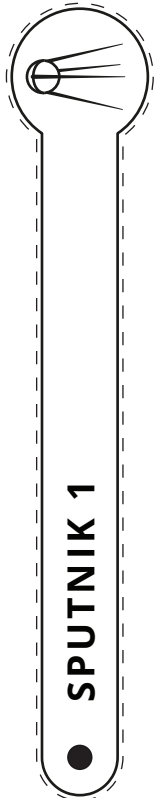

*Ask a parent or guardian for help with sharp objects*
