

# Sputnik Headband

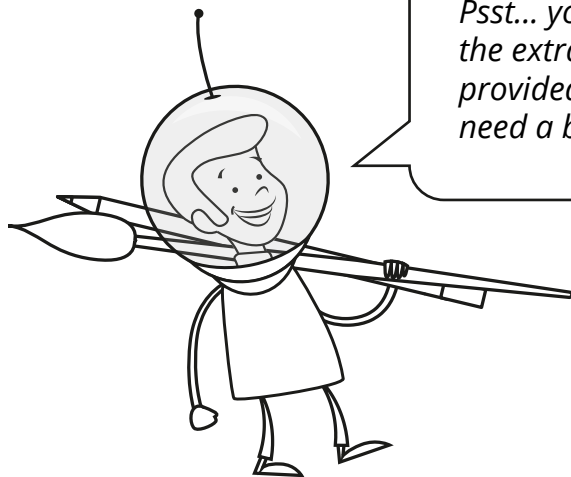

## You'll need:

- Colour Pencils
- Scissors
- Tape or Glue

## Instructions:

1. Colour in the antennae and head strips.
2. Cut out all the pieces along the dashed lines.
3. Join the head strips by taping the ends together.
4. Tape or glue the antennae to the head strips.

Ask a parent or guardian for help with sharp objects

You should end up with a something like this:

*Psst... you can use the extra strips provided if you need a bigger size.*
